Appeal from the labor collective TaeguTec Ukraine

We, the representatives of the International IMC Group, the ultimate beneficiary of which is the American company Berkshire Hathaway, appeal to you in support of the request of the President of Ukraine Volodymyr Zelensky to close the sky over Ukraine.

Thousands of dead and injured children, women, the elderly, destroyed hospitals, schools, kindergartens - such is the price of procrastination with the closing of the sky.
Support Ukraine's appeal to NATO to close the sky!

You need to act immediately!
